The cost of lunch for elementary students will be \$2.55. Lunch cost for secondary students: Tier 1 \$2.65, Tier 2 \$2.80, Tier 3 \$3.05. This year, we will again be offering free Universal Breakfast at Ballard, Eastside, Howard-Ellis, Northside, Southside, and Cedar Lane/Oak Manor. The cost of breakfast for all other buildings will be \$1.80. Those wishing to purchase milk may do so for 45 cents. We use a multi-child application for those wishing to apply for free or reduced price meals. You need to fill out only one application per household listing all your children. Please list **all school-aged children currently enrolled in Niles Community Schools** and their school buildings on the application. Food Stamp/FIP recipients must list that number beside **each child**.

Parents can make online payments to their students account at www.sendmoneytoschool.com

Parents can fill out the Free & Reduced Application online at www.lunchapp.com
