Description of Programs

Behavior Specialist indicates group and/or individual services were provided for emotional and/or behavioral challenges.
DIBELS Progress Monitoring students are monitored weekly by the classroom teacher in any area where they scored "intensive", "at risk", or "deficit" on benchmark testing.
Leveled Literacy Intervention is an intensive, small-group, supplementary literacy intervention.
Intervention Document indicates that the student has an intervention/accommodation plan in place for use by the classroom teacher.
Individual Reading Plan (IRP) is a state required intervention plan for students scoring below the DIBELS benchmark.
Summer School is for those students needing extra academic help in the areas of reading, writing and math. Students were selected based on their performance on MAP (NWEA), DIBELS and M-STEP testing.
